# About SDLC & Infinity Expo

AeroDef India Manufacturing Expo

**Sustainable Development Leaders Council (SDLC)** is a not-for-profit organization that works in the area of planet-friendly initiatives like Sustainable Development, Clean Energy Transition, Green Supply Chains, Sustainable Agriculture & Equitable Growth... We do so by building networking opportunities for leaders in the space to meet, share ideas on doing business responsibly, and transferring best practices in the process.

**Infinity is a specialized BTL** business media solutions company that produces tailored B2B forums where industry leaders come to meet greet and transact business. Our events aim to deliver highly focused face-to-face marketing solutions putting buyers and sellers together in a room to identify each others problems, facilitate solutions, and carve out long-term profitable solutions.

We do so by leveraging our capabilities of deep research, and ability to reach out to decision-makers across sectors and put together interactive discussions that are conducive to productive discussions Currently, our portfolio of events covers areas like Transport, Logistics, Supply Chain Management, Cold Chain Management, Manufacturing, Defence, E-commerce, Pharma, Green Hydrogen, Climate Change Technology via a portfolio of events in India, Dubai, Saudi, Oman, Qatar, Indonesia, Egypt, Malaysia, Turkey etc.

# Message

AeroDef India Manufacturing Expo

**Sukhjinder Singh**  
President & CEO

We extend our heartfelt gratitude to all exhibitors, partners, and visitors who contributed to making the **4th Edition of AeroDef India Manufacturing Expo 2024** a resounding success. This edition showcased cutting-edge advancements in aerospace and defense manufacturing, fostering collaborations that will shape the future of the industry.

With an exceptional turnout of key stakeholders—including leaders from aerospace, defense, logistics, and technology—the event served as a dynamic platform for innovation, networking, and business growth. The synergy among participants highlighted the importance of integrated supply chain solutions, automation, and digitalization, key themes that are transforming the industry landscape.

Our commitment remains steadfast in driving excellence and creating impactful opportunities for businesses. The overwhelming response reinforces our mission to deliver an even bigger and more influential edition in the future. We thank our esteemed partners and sponsors for their unwavering support and look forward to welcoming you all to the **5th Edition of AeroDef India Manufacturing Expo in 2025!**
